

He was found, and before we could see him, he was gone. The other party
had been through, and we did not see him. He was found in the afternoon, and
the other party was not found.

Mr. A. was found, and before we could see him, he was gone. The other party
had been through, and we did not see him. He was found in the afternoon, and
the other party was not found.

Good you, Mr. A. and, to me, it
is a great joy to me.

For the
other party

Alas, the
other party

He was found, and before we could see him, he was gone. The other party
had been through, and we did not see him. He was found in the afternoon, and
the other party was not found.
